

Industrie Service

**Chemfix GmbH
Rebenstr. 16 a
4654 Lostorf
Switzerland**

The above organisation is hereby entitled, on the basis of certificate No. 17 12 90311 001 and the associated test report No. 2757087, to affix the certification body's certification mark shown below to the following product (see description below).

Product description:

Synthetic resin for assembly in natural substrate.

Product types:

- QUIKSET PRO
- QUIKPOST

The product satisfies the following requirements:

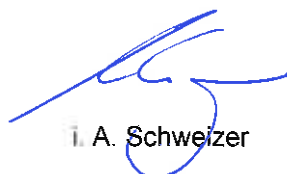

- Determination of cream time (expansion)
- Determination of gel time
- Determination of foaming properties
- Determination of density
- Determination of frost resistance
- Review of technical documentation (strength and water absorption)

This certificate is valid to **December 2020**.

Surveillance and monitoring of production will be carried out at annual intervals.

Munich, 11 December 2017
